### SCAG 2016 Regional Conference Starts Tomorrow

The Southern California Association of Governments (SCAG) will hold their 2016 Regional Conference and General Assembly on May 5<sup>th</sup> and 6<sup>th</sup>. SCAG develops long-range regional transportation plans that include sustainable community strategies, growth forecast components, regional transportation improvement programs and the South Coast Air Quality Management Plan. LADOT General Manager Seleta Reynolds, will participate as a panelist in a discussion entitled ♦What is Driving the Future?♦ For more information about the conference [visit their website](#).

### Video: Parking at Metered Spaces

Your Department of Transportation operates approximately 34,605 on-street metered spaces and 2,369 off-street metered spaces throughout the city. Find out [here](#) what everyone needs to know when parking at a metered space.

### Rectangular Rapid Flash Beacons Installed

This week, CD 11 Councilmember and Transportation Committee Chair Mike Bonin, and his staff joined LADOT's Transportation Engineer Rudy Guevara along with Design and Construction engineers and field crew members, to celebrate the installation of two new Rectangular Rapid Flash Beacon traffic signals at the intersections of Abbot Kinney Blvd. and Broadway; and at Pacific Ave. and Market St. These new signals will improve the safety for people who walk, roll, bike, ride skateboards and drive.
